## 1. Statement of Vision and Mission of College

### Vision & Mission

- Work for the all-round development of the students in the backward region of North Bengal
- Engineer the process of social development consistent with local needs and demands
- Train graduates in the art and science of teaching.
- Help the youth to earn their first degree.
- Imbibe democratic values in the society.
- Enable the youth to serve the society better by promoting the ideas of fraternity and national integration.
- Foster international understanding.
- Enable the students to meet the future challenges of the society.
- Create zeal among the students to work for the society.
- Create visionaries of the future.
- Input human values in the consciousness.
- Promoting students to the national level sports and games along with the knowledge-based curriculum.
- There are a lot of visionary orientations regarding the infrastructure to be included into the future plan of the institution.
- Severe academic and communicative skills are to be facilitated in the institution as to pace up with the fast growing and progressive attitude of the world.
- There is the need to include the others science subjects and the Honours and Programme courses of those subjects in the near future
- Students will be encouraged to focus on the knowledge based as well as career-oriented courses.
- Technology based curriculum such as MOOCs can be accessed through various developed platforms of the technology learning.
- Moreover, this is a Mahila College— our vision is to uplift the 'voices' of the women in terms of their progressive ideals.
