## 10. EDUCATIONAL TOUR TO BUXA FORT

### PROGRAMME REPORT EDUCATIONAL TOUR TO BUXA FORT

- Title of the Programme:** Educational Tour to Buxa Fort
- Mode of conduction:** Offline
- Date:** 28/05/2023
- Venue:** BUXA FORT
- Category of participants:** 4<sup>th</sup> Semester students of English Department
- Organisers:** Department of English, TPMM
- Funded by:** The Faculty members and the Students of English Department
- Introduction:**

**a. Description of the Programme:** Department of English, Thakur Panchanan Mahila Mahavidyalaya, organised an Educational tour in accordance with the SEC paper on Travelogue and creative Writing. It was initiated by the Students of Fourth Semester and the faculty members of English Department. The students would write a travelogue of Creative writing Paper on the basis of the experience they would gather in the tour and trek.

- b. Objective of the Programme:** There many objectives of this educational Tour—
- To facilitate the students with a broader mindset while writing a travelogue as many of them are not equipped with and familiar to the outside world as such.
  - To promote the creative aura and the creative judgement among them.
  - To have the proper or necessary emotions or recollections which they would gather in their tour to write their travelogue with a greater clarity.

#### 9. Details findings of the Programme:

Tour and its necessary arrangements were basically done by the students under the supervision of the faculty members. In the process of arrangement, the students learnt a lot regarding the way of the world. In their journey they learned about the land-marks outside of their locality. They got to know something about the difference in terms of the cultural perspectives of the region they were trekking and travelling to. They came to know different culture along with the people living in those regions. Buxa-Jayanti is situated amongst the Himalayan Doars-Alipurduar—hilly bourns with a river flowing through. The popular Buxa-fort where once the Freedom Fighter Netaji Subhas Chandra Bose was once imprisoned by the colonial Britishers and from where Bose escaped to free our country. The students not only know about the landscape but also came to know about the food habits of those people living there. Their first-hand experience of trekking through the hilly regions is worth mentioning.

**10. Conclusion:** The journey through the beautiful terrain cast a spell on the minds of the students. The tour and trekking provoke their thought process of being creative. The obvious reflections of their bright eyes showed the real them. Although they were exhausted with the uphill walking and was frightened for the unknown dangers from the wilderness, the students showed their real enthusiasm of learning and knowing the unknown. They wanted more and more participation in such tours and programmes which would enlighten them of their own capabilities to create and make something out of their very existence.
