

Awareness Programs and Initiatives of TPMM

Thakur Panchanan Mahila Mahavidyalaya is thoroughly committed in spreading awareness among the students about various government and non-government schemes and facilities that they can avail to pursue further studies or to make themselves fit for the community as a whole. We regularly organize Awareness Camps for the West Bengal Students' Credit Card Scheme so that not a single student is deprived of their dream of studying further due to shortage in funds. We have done awareness program and quiz competition on National Voters' Day in collaboration with the Office of the District Election Officer of Cooch Behar. Basic understanding of our country's legal framework and a general idea about a citizen's rights and privileges have been imparted to our students by organizing Legal Awareness Camps several times; we feel this is a must especially for our girl students who have to overcome more obstacles than their male counterparts in every walk of life. Our institution has also organized Covid-19 Vaccination Camps for the students and the staff with the help of local health administration.
